The Musical:

PEOPLE R READY-The Musical, with music and lyrics written by Alex Twum, Ray Evangelista, and James Gutzman, and book writing by Tom David Barna, is a fun-loving story of students returning for the fall semester on the campus of Dakota college. Romance is in the air and so is the excitement of making new friends, catching up on lost time and preparing for the drama department's upcoming musical auditions. The biggest question on everyone's mind is whether campus life will ever be like it was before facemasks and vaccines. Oh, who cares, let's sing, dance and be happy. The full play will be made available worldwide in the winter of 2022 and made available to professional theatre, community theatre, college theatre and high school theatre. The availability of the play will include the script, sheet music, recorded music, and writer collaboration.
